ADIRONDACK SPAS AVAILABLE AT:

All sizes are approximate. Saratoga Spa and Bath® Co., Inc reserves the right to make changes in product characteristics, standard equipment supplied or available at any time without notice. Not all features are available on all models. International 50 Hz models may vary in specifications and features. Models with international specifications are only available through international distributors. All spas must be wired in compliance with owners manual. Power Massage® is a patented feature of Saratoga Spa and Bath® Co., Inc (4953240) (5086595) (5752300) (6351856) (6185757) (6182303) (D431303) (5067228) (5010699) (CFE#4860392) (6182303) Entertainment systems and other optional features are not offered with the UL® listing or standard warranty and are not available on all models. See your Saratoga Spa® dealer for details.

Warning: The consumer product safety commission has stated that water temperature in a spa or hot tub should not exceed 104° F. Immersion in water in excess of 104° could be hazardous to your health. Children, aged persons, persons having medical problems and pregnant women should consult their physicians before using a spa or hot tub. Spas or hot tubs should not be used by persons under the influence of alcohol or by persons taking medications that cause drowsiness.
