May 8, 2026

Dear Valued Customer,

Based on continuing escalation for key raw materials, energy, and transportation costs, Sparotech will be implementing price increases for the following materials:

- **ABS premium materials: 18% increase**
  - FormPro® 1101 ABS, 1109 ABS, 1111 LG ABS, 1112 LG ABS, 1122 ABS
  - Royalite® R12, R15, R20, R21, R23, R24, R26, R85/R21, R574, R927
  - ABS premium with overlay
- **ABS GP materials: 8% increase**
  - FormPro® 1102
  - ABS GP with overlay
- **WeatherPro® ASA (ASA/ABS): 5% increase**
- **TPR/TPO/TPU: 10% increase**
- **PE (HDPE, HMWPE, UHMWPE): 10% increase**
- **PP: 5% increase**
- **Sparalloy®: 5% increase**

**These price increases are effective June 6, 2026.** All new and open orders shipped after June 6 will be subject to the new prices.

Your Sparotech sales representative will contact you to review these changes. We appreciate your ongoing support and patronage.

Sincerely,

A handwritten signature in black ink that reads 'Kevin S. Duffy'.

Kevin S. Duffy  
Executive Vice President, Sales & Marketing
